

Reactive Dog Integration Class

Level 1

(...For dogs that need a little help in the “Real World”.)

Does your dog bark at dogs or people? Do the smallest sounds set your dog off? This is an 8 week course to help you teach your dog how to gain control. The 1st class is a 3 hour lecture without the dog. The remaining classes are 1 to 1 ½ hours and are hands-on. Working slots are \$250.00 and auditing slots are \$125.00. These classes are taught at our 2 sister locations, by Karen Deeds. For class schedules and registration, go to:
